

# START-UP BUSINESS

Once you've taken the plunge to start your own business one of the daunting tasks you may face is selecting the appropriate "vehicle" to trade through.

## Before you start a business

-  Do you know where to find advice & support?
-  Do you know when a hobby becomes a business?
-  Have you started planning for your business?
-  Do you know how to obtain finance?
-  Do you know which business structure suits your business?
-  Are you an independent contractor?

## BEC Biz Start Pack

To help you get underway the BEC is offering a Biz Start Pack to help new business entrepreneurs cut through the "red tape" and start their new business venture with a minimum of fuss and a solid foundation.

## What you get!

-  Registration of Business Name (3 Years with ASIC)
-  Australian Business Number (ABN) Registration (Sole Trader / Partnership only)
-  Up to 3 Insurance Quotes for your business (you choose appropriate cover)
-  One-on-one support to development of a Business Plan on your new venture
-  Development of a Marketing Plan for your new business venture
-  Assistance in developing a cashflow projection for first 2 years in business
-  Quarterly face-to-face advisory sessions in your first 12 months in business

N.B. The BEC recommends you register a company / trust via your preferred accountant or financial planner
