Stepping Up Program

Now that you've taken the plunge and started your own business its important that you keep the momentum up, keep on track and ensure that you are consistently achieving your goals.

BEC **Stepping Up** Program

To help you move your business forward and stay on track the BEC's "Stepping up" program offers you a business coach to call and get guidance on an ongoing basis over 12 months. Just like great athletes need a coach Great businesses need a coach ensuring they remain on track to meet their objectives.

What you get!

-  Initial session (no obligation) to make sure the BEC Stepping up program is for you - **FREE**

If you decide this program is for you we then:

-  Set agreed times and dates for future meetings
-  Develop a preferred mentor strategy to suit you
-  Undertake a Detailed Business Health Check / Diagnostic on your business
-  Development of Strategic Plan for your business
-  Yearly Planner to achieve your KPI's & give you a work / life balance
-  Develop a 90 Day Action Plan each quarter (total of 4)
-  Break those down to 30 Day Action Plans to meet your 90 Day Action Plan goals
-  Ongoing phone support by a BEC Advisor to assist you as required
-  Quarterly review of cashflow projection -v- actual / YTD
-  Monthly face-to-face advisory sessions in your first 12 months in business
